POLICE REPORT Sheriff Danny Perkins was in attendance. He passed out February's police reports to the council. Danny reported that he had been on the phone most of the day dealing with funding that was to go to the prisons. They are now talking about funding it towards something else. Our county commissioners have been working very hard on getting the funding to come back to the prisons. Sheriff Perkins feels they have made good progress with the issue.

Yesterday, City Manager Allen K. Henrie's home was destroyed by a fire. Allen thanked Danny, the police department, the fire department, the ambulance crew and every one who was there to help. He really appreciated everyone for what they did.
